<p>I agree that I am purchasing one or more access decals for personal use by me and/or by authorized members of my family who reside at the above address. I also understand that the purchase of a decal for any other person will have to first be approved by the Association Board of Directors. The decals are non-transferable, and will be canceled if I sell my home or move elsewhere. I acknowledge that if I do not abide by this agreement or fail to pay my association fees in a timely basis my gate decal(s) may be deactivated, and I could lose my ability and/or that of my family to enter and exit through the Mohegan gate. I acknowledge there are installation instructions which I must follow to apply the decal correctly. These instructions can be found in the Neighborhood Forms section in a pdf file labeled Mohegan Gate Access Decal Instructions. Decals must be applied to the vehicle in which they have been assigned and approved as listed below in this application.</p>
